Open House

Includes Lunch & refreshments

10am-2pm

Come tour the Facility and have Lunch. North Jackson Hydraulics recently joined the MVLNA.

NJH can get you ready for the spring cutting season. They can clean, inspect and test your Hydro-Gear Pumps. They can also completely remanufacture hydraulic units back to OEM specifications, complete with comprehensive test report and warranty. They also have remanufactured units for a quick turnaround. Need a piece of equipment checked out? Bring it on in and let the professionals check it out!

For reservations call Vicki at 330.538.2232 by February 9!
